

CREATING AN AWS ACCOUNT

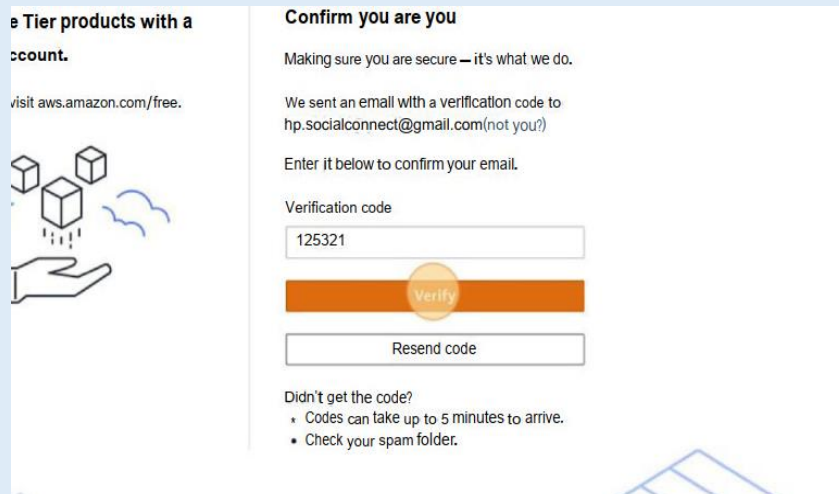

1. Visit aws.amazon.com and click on “Create an AWS Account”

2. Enter the root user email address ,AWS account name and click on “Verify email address

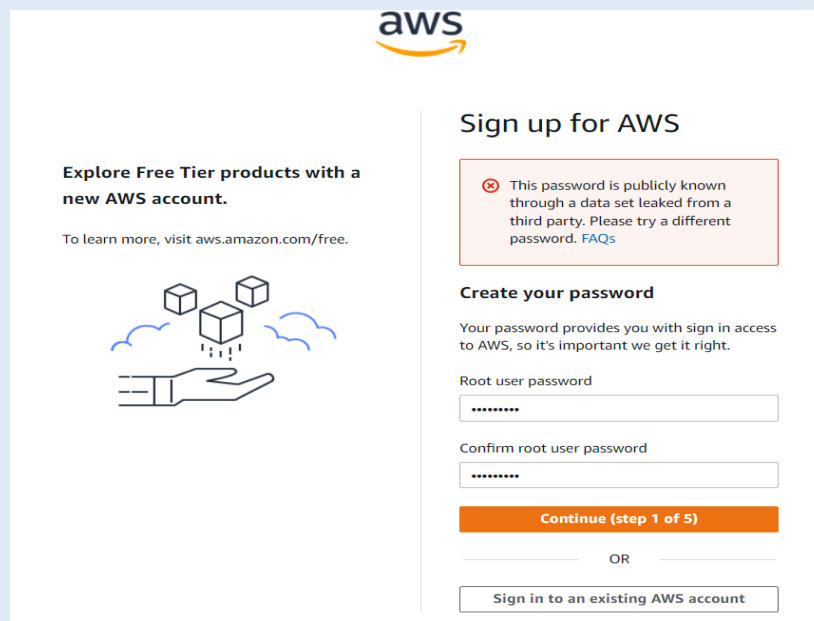

A screenshot of the AWS sign-up page. On the left, there is a section titled 'Explore Free Tier products with a new AWS account.' with a sub-link 'To learn more, visit aws.amazon.com/free.' and an illustration of a hand holding three cubes. On the right, the 'Sign up for AWS' section contains two input fields: 'Root user email address' (with the value 'hp.socialconnect@gmail.com') and 'AWS account name' (with the value 'hiteshperiwal'). Below these fields is an orange button labeled 'Verify email address'. At the bottom, there is a link 'Sign in to an existing AWS account'.

3. Enter the verification code received in the given email address and click on "Verify"

The screenshot shows the AWS verification page. On the left, there is a graphic of a hand holding three cubes. The text on the left says "Explore Free Tier products with a new AWS account." and "To learn more, visit aws.amazon.com/free." On the right, the heading is "Confirm you are you". Below it, it says "Making sure you are secure — it's what we do." and "We sent an email with a verification code to hp.socialconnect@gmail.com (not you?)". It then says "Enter it below to confirm your email." There is a text input field for the "Verification code" containing "125321". Below the input field is an orange button labeled "Verify" and a white button labeled "Resend code". At the bottom, it says "Didn't get the code?" followed by two bullet points: "• Codes can take up to 5 minutes to arrive." and "• Check your spam folder."

4. Set your account's password

The screenshot shows the AWS password creation page. At the top is the AWS logo. On the left, there is a graphic of a hand holding three cubes. The text on the left says "Explore Free Tier products with a new AWS account." and "To learn more, visit aws.amazon.com/free." On the right, the heading is "Sign up for AWS". Below it, there is a red box with a warning icon and the text: "This password is publicly known through a data set leaked from a third party. Please try a different password. [FAQs](#)". Below the warning box is the heading "Create your password" and the text "Your password provides you with sign in access to AWS, so it's important we get it right." There are two text input fields for the "Root user password" and "Confirm root user password", both containing "*****". Below the input fields is an orange button labeled "Continue (step 1 of 5)". Below the button is the text "OR" and a white button labeled "Sign in to an existing AWS account".

5. Fill in your contact details and click on continue

Free Tier offers

All AWS accounts can explore 3 different types of free offers, depending on the product used.

-  **Always free**
Never expires
-  **12 months free**
Start from initial sign-up date
-  **Trials**
Start from service activation date
